Hello Town of New Hartford Residents!

It has been a pleasure serving as your New Hartford Town Supervisor the last 14 months. We have accomplished so many things together and we are set to accomplish much more this year. I would like to share with you some of the positive things we will be working on this year.

My goal is to show residents where their money is being spent.

We will be completing all our Town Parks projects

- New pickleball courts
- New dog park area and training course
- New Farmer's Market pavilions
- New playground areas
- Signage
- Parking Areas
- Pavilion Revitalization
- Park Lighting
- New Bleachers

The completion of the consolidation of our new town offices at the former Gander Mountain will be done May 1, 2019, which is a cost savings to the residents.

The Town will be undertaking many stormwater projects this year.

Upgrading our new chiller and ice maker at the Recreation Center for hockey and skating events.

I will be completing NYSERDA for High Impact Action Items to earn Clean Energy Community designation which will help us to qualify for grants and bring more cost effective environmental solutions to New Hartford.

We have integrated and completed our parks and recreation software for online renting of pavilions. Register for our summer program online at our website: www.townofnewhartfordny.gov which will be launched April 1, 2019.

Our food truck event was a success with over 1,500 residents attending last year. We are reinitiating it this year on Tuesday nights from 4-8 pm beginning May 14th through August 20th, 2019. We will also be implementing our Farmer's Market the same days from 3-8 pm.

Our annual trash pickup was in such high demand last year, that this year the board decided to reinstitute it for 2019.

In 2019, we will be upgrading all of our street lighting and traffic lights to LED.

We will be replacing our Town of New Hartford welcome signs with a new clean look.

We have received a grant from DEC for \$128,000 to install electric vehicle recharging stations at the new Town Hall and should be completed this summer.

We will be upgrading 3 of our Police cars to hybrid vehicles.

We will also be upgrading our Animal Control Vehicle this year.

Our firework celebration is on July 5th at Sherrillbrook Park.

Reporting a concern service was such a success last year thanks to all the residents. Please continue to use this tool to let us know about issues and concerns you have at www.townofnewhartfordny.gov.

You can read more about these items inside this newsletter. I look forward to working with the Town residents and the many departments to make this another successful year. Thank you to the Town Board for the smart decisions they have been making both financially and environmentally while focusing on the future of New Hartford. Thank you to the Fire Department, Police, Library, Highway Department and Volunteers that make our town a safe and great place to live.

Wishing you and your families have a safe and happy summer.

Paul A Miscione, MBA
Town Supervisor

Dear Residents

It's been another successful year in the 1st Ward. We will be completing our Grange Hill Stormwater Detention Ponds by June 1st. I have also advocated to the Board the need to repair paving on Grange Hill after this project which they approved. This will be accomplished this summer.

As you know it was also a great concern of mine to repave Snowden Hill Road due the high volume of traffic. This summer we will be able to repave this thanks to the collaboration of our Town Board.

I want to thank all of the residents for their support and will keep working on stormwater projects and public safety in the 1st ward.

See you this summer at one of our many new programs at the Park this year.

James Messa
Town of New Hartford
1st Ward Councilman

Dear Residents

Melting snow and spring rains bring the ongoing issue of storm water management. In the past months progress has been made to provide a potential sight for a retention area in an identified drainage catchment area. This project combined with other recent improvements will continue the Towns commitment to protect our infrastructure and homeowners property. Funding a large project that will affect hundreds of homes will require a partnership with Oneida County and the acquisition of grant dollars.

Preserving our neighborhoods and insuring public safety is always a top priority. Strong codes and the importance of our nuisance abatement law provides a way to help insure we all can enjoy our homes, neighborhood, and an ever progressive Town of New Hartford. We continue to explore and implement:

- Improvements to our parks and trail system
- Solar power and energy efficient buildings
- Shared services and equipment
- Measured commercial growth

David M. Reynolds
Town of New Hartford
3rd Ward Councilman

Dear Residents

It has been an honor serving the Town as a Board Member this year. I will be working on many projects this year with a strong emphasis on Senior Services.

The Town of New Hartford Senior Center has been temporarily meeting in the Willowvale Fire District building since last year. Members are eagerly awaiting the move to their new home at the Gander Mountain Town Offices in the Orchards on Middlesettlement Rd., scheduled for early April. The new facility will be highlighted by advanced feature appliances used to provide nutritional meals to over 75 seniors on a daily basis.

We are looking forward to expand the opportunities for social and recreational activities, exercise classes, day trips and other forms of social gatherings to meet the needs of our energetic senior population that represents over 20% of the town's population.

There are no dues and we welcome new members to share experiences and make new friends.

We will be adding many more services this year. Can't wait to see you there.

Richard Lenart
Town of New Hartford
2nd Ward Councilman

Dear Residents

I am Rich Woodland, the 4th ward Councilman for the Town of New Hartford. The 4th Ward is a unique mix of residential and agricultural properties along with being home to the commercial corridor of the Town of New Hartford. During my time as the 4th Ward Councilman, there has been significant economic development throughout the Ward.

I have been involved in the National Grid audits and the audit of the Lighting Districts which are still ongoing. These audits have already identified several issues regarding inconsistencies and errors that resulted in overcharges. The town will be credited and reimbursed with interest for these overcharges by National Grid. The town anticipates continued cost-savings upon going LED in the Lighting Districts.

I will also be working on upgrading all of our employee handbooks and internal procedures. As a member of the ethics committee, I will keep transparency and fairness as the board and I have always done. If I am honored to become your councilman again next year, I will spearhead an aggressive campaign to improve our solar laws when we upgrade our comprehensive plan next year.

This year I have also advocated to pave Evalon Road, Applewood Entrance and Clinton View Road.

I look forward to working with all of the residents this spring at the Town functions.

Richard B. Woodland
Town of New Hartford
4th Ward Councilman

REPORTING A CONCERN SERVICE

Having an issue or see an issue in the Town? Now you can go to the new Town website: www.townofnewhartfordny.gov and on the right side of the front page click on  report a concern. Complete the form and hit submit and your concern will be emailed to Town Supervisor, Paul Miscione and Highway Superintendent, Richard Sherman.

CURBSIDE TRASH PICKUP REINSTATED

Last year's curbside pickup was a success. I want to thank all the residents that participated and followed the guidelines, making the process run smoothly. The Board has approved to once again implement this great service. This will take place in the month of June. You can find the schedule in the Highway Department section of this newsletter and also on the Town's website at: www.townofnewhartfordny.gov under Service, Highway Department Services.

NYSERDA CLEAN ENERGY COMMUNITY DESIGNATION

This year I will be completing the 4 High Impact Action Items which are:
(✓ indicates those that are complete)

Clean Fleets – Install electric vehicle charging stations or deploy alternative fuel vehicles ✓

Energy Code Enforcement Training – Train compliance officers in energy code best practices ✓

Benchmarking – Adopt a policy to report the energy use of buildings ✓

LED Street Lights – Convert Street lights to energy efficient LED technology TO BE COMPLETED BY SEPT. 30

CHILLER AND ICE MAKER UPGRADE

We will be upgrading our 40 year old chiller and ice maker at the Recreation Center. This long overdue upgrade is necessary. It will not only be saving approx. \$9,000 in efficiency costs each year but it will also save about \$10,000-\$15,000 each year in repair costs.

STORMWATER PROJECTS

I would like to thank Anthony Picente and the County for giving the Town of New Hartford over \$1.2M in grant funding for the following stormwater projects. Our County Executive has been a true partner to the Town and has been instrumental in helping us with our stormwater issues. By June 1st we will be completing our Grange Hill detention pond project. This summer we will be working on 2 major projects in the Mudcreek Watershed: one on Middlesettlement Road and one on Commercial Drive. These projects will help with stormwater issues that affect our commercial corridor and the residents in these areas.

IT INFRASTRUCTURE

We have completed all parks programs and services online. This has made the Parks Department completely automated which is a huge cost savings for the future. We have also incorporated our new accounting software upgrade which gives town officials real time budget information which aids in making good financial decisions.

BONDING INFORMATION

The Town of New Hartford was consolidated all of its debt, Tuesday Feb 26th of \$8,266,929 at a remarkably low interest rate of 3.02779% from the successful bidder of Robert W. Baird, a financial institution with over 100 years of experience. This puts New Hartford in an even better financial position than the previous anticipated rate of 3.5% interest rate. The Town has a \$576,000 savings over the 23 year payback. It made a lot of sense to bond this year instead of banning for a few more years and only paying down interest. Now we will be paying down principal and interest at a great rate. There are no worries about having to pay higher interest rates in the future, as interest rates have been going up. This will be beneficial in creating more precise budgets in future years because our debt service is a fixed cost. This process took precise coordination of the town board to make timely requirements and also having great negotiations with Adirondack Bank. Due to the great partnership with Adirondack Bank, the town was able to save an additional amount of approximately \$32,000. These areas where most people don't look, but have the greatest cost savings, while not cutting programs or services and keep moving forward in projects upgrading infrastructure. The Town of New Hartford will keep making financially smart decisions and plan for the future while continuing to give residents quality of life programs.

PAVING

We have increased our paving budget by 17% this year giving the opportunity to add many more new roads to this year's paving projects.

TOWN HALL

Our new state of the art Town Hall project has been a success. We have been on time and on budget. The Town Supervisor has been running the day to day project management of the building at no charge, which has been an overall savings of an additional \$96,000 to the project. The new building will not only be a cost savings to the town in the future but also gives it a more professional look.

EV STATIONS

DEC has awarded us a \$128,000 grant to deploy 6 new electric vehicle stations at the new Town Hall. Again another great initiative to support our environment for the future of New Hartford.

FIREWORKS

The town and village of New Hartford along with The city of Utica are collaborating on Fourth of July festivities this year.

To begin with, the Independence Day Parade route will extend up Genesee Street to the village of New Hartford, rather than ending at the Memorial Parkway in Utica. The new ending will be the New Hartford Recreation Center at Mill Street and Oxford Road.

The town of New Hartford also will host a Party in the Park event the day after the Fourth of July at Sherrillbrook Park, similar to Utica's existing event at Proctor Park, where they will have fireworks.

This also will be the first time the town of New Hartford has had fireworks for 10 years, Miscione said, a service the New Hartford Town Board wanted to bring back.

The parade and both park celebrations will be organized by The Genesis Group.

The schedule is as follows:

- 11 a.m. Thursday, July 4, Utica, Regional Independence Day Parade
- 6 p.m. Thursday, July 4, Proctor Park in Utica, Party in the Park
- 6 p.m. Friday, July 5, Sherrillbrook Park in New Hartford, Party in the Park.

NEW HARTFORD YOUTH EMPLOYMENT PROGRAM

The New Hartford Youth Employment program is looking for industrious young men & women ages 14-19 to be matched with local residents and businesses that need odd, seasonal jobs completed. Residents and local businesses are encouraged to contact the Youth Employment Director if they have a seasonal, part-time or odd job to offer a local youth either around your home or business. This program matches New Hartford youth with residents or businesses that need jobs done such as babysitting, lawn maintenance, mowing, painting, gardening, cleaning, copying, filing, organizing, party set up and/or clean up, cellar and/or attic clean out, moving, leaf raking, snow shoveling, etc. Jobs are often short term and the rate of pay is at the discretion of the business or resident.

Youth and residents may sign up in person with the Youth Employment Director, Melody K. Fancett in the New Hartford Town Clerk's Office located in Town Hall, 8635 Clinton Street, New Hartford, NY 13413 or call 733-7500 x2323 between 8:00 a.m. and 4:00 p.m. Monday-Friday.

SUMMER PARKS PROGRAM

Our summer program will be starting up again before we know it. We are currently accepting applications for high school graduates interested in working with children. If you are interested, complete and submit an application to Barb Schwenzfeier, Personnel Dept., 8635 Clinton Street, New Hartford, NY 13413. Applications are available online at www.townofnewhartfordny.gov. **Applications must be received by April 10, 2019.**

Keep The Date

Dear Neighbor,

We will continue to give residents the opportunity to bring their household items to the garage at 111 New Hartford Street, New Hartford, New York. We will have dumpsters at the Highway Garage for residents to drop off their waste and an employee will be available to help them unload. This will begin on Monday, April 1st 2019 and continue every Monday through September 30th 2019 from 7:00 AM till 2:00 PM. We will add the 2nd Saturday of every month from 8:00 AM till 12:00 PM for drop off as well. If a holiday falls on a Monday, then the drop off will be on Tuesday. **This service will be suspended for the month of June.**

Please see the reverse panel for our guidelines on what will be accepted and review the items that cannot be collected. Please remember, you must provide proof of residency to be allowed to use these services.

We will also offer the garbage tag service again this year for anyone who is unable to get items to the highway garage. Tags (\$5.00 per item) can be purchased at the **TOWN CLERKS OFFICE** at 8635 Clinton Street, New Hartford, NY 13413. Office hours are from 8:00 AM to 4:00 PM. Items will be picked up on the first **MONDAY** of every month April through September. If a holiday falls on a Monday, then the trash will be picked up on Tuesday. **This service will also be suspended for the month of June.**

Continuing this year as well, the Town will offer free computer & electronics recycling collection at our site. Some of the items that we will accept are: all televisions, computer equipment, monitors, terminals, scanners, ink cartridges, printers, fax machines, keyboards and computer accessories. Miscellaneous electronics such as circuit boards, cabling and wiring, typewriters, video gaming systems, cell phones, PDA's, iPods and universal power supplies will also be accepted.

I would like to take this opportunity to thank you for your cooperation in complying with the guidelines we have in this flyer. If you have any questions regarding dates or materials for pickup, please do not hesitate to call the trash hotline at (315) 724-4300, ext. 2430.

Once again, please remember that your cooperation makes our jobs easier and keeps our neighborhood a clean and safe environment to live in. Please follow the schedule for pickups and please pass the word onto your landscapers.

Have a great year and keep up the great work.

Richard C. Sherman
Superintendent of Highways

Washington Mills Athletic Park has one pavilion with rest rooms available.

RESERVATIONS

Reservations for Sherrillbrook, Donovan and Washington Mills Athletic Park can be made by paying the proper fees and obtaining a permit online at www.townofnewhartfordny.gov. Large pavilion fees are \$80 for Town of New Hartford residents and \$200 for non-residents. All other pavilions are \$40 for Town residents and \$100 for non-residents. Gazebo weddings are \$40 for Town residents and \$100 for non-residents. Groups of twenty-five or more must have a permit to make sure of the park facilities. Reservations cannot be made by phone or in person. Must upload a copy of driver's license as proof of residency.

PICKLEBALL COURTS

New pickleball courts will be available for use in the spring of 2019 at the Sherrillbrook Park. We will also have two more in late summer. Check our website for updates www.townofnewhartfordny.gov. Courts are used on a first come/first serve basis. There are no reservations for these courts.

PLAYGROUND APPARATUS

The Town has a modular play system at Donovan Park, Sherrillbrook Park, behind the New Hartford Recreation Center and at the Washington Mills Athletic Center.

MOUNTAIN BIKE POLICY

In an effort to protect the Sherrillbrook Park hiking and ski trail system, while trying to allow for limited use of specific trails for mountain bike activities, the Town of New Hartford Parks & Recreation Department has adopted a municipal law which restricts mountain bike riders to the trail A section of the parks hiking and ski trail system, and any paved roadways within the park. Biking enthusiasts who are operating their bikes on any lawn areas of the park or on trails other than the trail A section of the park will be subject to a fine and removal from the park.

NO ALCOHOL ALLOWED IN PARKS

ADULT PICK-UP BASKETBALL

Adult pick-up basketball games will be held at the Hughes Elementary School on Tuesdays & Thursdays from 7 pm - 9 pm beginning on June 25th and running through August 22nd. This program is for male & female recreational players over the age of 25. We will provide the basketballs and pinnies, so that teams can be picked up on a nightly basis. Games will be played using the honor system and participation is strictly on a drop in basis. For more information call (315) 724-0654. NO REGISTRATION. FEE \$2.00 per session.

SUMMER PLAYGROUND JULY 1ST-AUGUST 9TH PROGRAM PROCEDURES

This year the department will be administering an on-line registration and charging a fee for participation in our playground programs. Participants must register for the playgrounds as indicated according to their grade completed in the spring of 2019 and elementary school for which they attend. Only children who are residents of New Hartford and have just completed grades K-6 in the spring of 2019 will be eligible to participate in the 2019 program. Tee shirts will be provided to all participants and a sign-in and sign-out procedure will be strictly implemented. An informational parent meeting will be held at each playground during the first week at each site, at the direction of the playground director, to better inform all parents or guardians of program policies and the rationale behind them. The playground program will continue to offer young children in the community an excellent opportunity to take part in a variety of summer activities. Leadership at the playground will consist of a Playground Director, and a staff of Recreation Leaders. Please be sure to pay the proper fee with your child's on-line registration and complete all sections accurately to ensure your child's enrollment at their local summer playground. Again, please pay special attention to the dates, age requirements, fees, locations, and registration procedures as you make your summer program plans.

Daily attendance is not a requirement of this program, and participants will have the option of signing up for the daily sponsored activities of their choice. However, the participant's parents or specified guardian must sign the child in and out, to enter or leave the program site, in order to remain in the program. A violation of this policy shall result in dismissal from the program.

The summer playground program is not intended to be a day care or day camp program.

Daily attendance is not mandatory to remain in the program.

Fees: 1st child - \$200 for six week program. 2nd child from same family - \$150

3rd child from same family - \$100. 4th child or more from same family - Free

Local elementary schools will be contacted to confirm your child's enrollment and grade completed.

Program dates - July 1st - August 9th, Monday-Friday 9 am-4 pm

MYLES ELEMENTARY: 9 am-4 pm for TOWN of NH RESIDENTS, grades K-3 who attend Myles Elementary School, Bradley Elementary, New York Mills Elementary or Clinton Elementary School

HIGBY ROAD: 9 am-4 pm. For TOWN of NH RESIDENTS, grades K-3 who attend Hughes Elementary School or Sauquoit Elementary School

PERRY JR. HIGH: 9 am to 4 pm. For TOWN of NH RESIDENTS, grades 4-6 who attend Hughes Elementary School or Sauquoit Elementary School

OXFORD ROAD: 9 am to 4 pm. For TOWN of NH RESIDENTS, grades 4-6 who attend Robert Bradley Elementary School, Myles Elementary School or New York Mills Elementary School.

All of the playgrounds provide well organized activities/athletics, arts & crafts, movies, contests, as well as weekly educational and exciting field trips to points of interest throughout Central New York. Please be sure to register early, as these are very popular programs and they fill up quickly.

Field Trips: Some trips will require a fee in addition to program registration. Also note that all playgrounds will be transported once a week to the 11:25 am-12:55 pm recreational swimming at the high school pool for a fee of \$2.00 per session. Individual playgrounds will also be scheduling shorter trips to places such as the movies, mini golf, etc. as transportation permits. These trips are only for CHILDREN and only for those that are enrolled in the summer program. THERE ARE NO REFUNDS for field trips that are not attended.

Trips will be announced and will be available online beginning May 1, 2019 www.townofnewhartfordny.gov.

NOTE: ALL REGISTRATIONS FOR THE SUMMER PROGRAM AND FOR TRIPS ARE MADE ONLINE ONLY, USING CREDIT OR DEBIT CARD WITH A NOMINAL PROCESSING FEE (same as last year).

PROGRAMS ARE FOR NEW HARTFORD RESIDENTS ONLY. PLAYGROUND REGISTRATION WILL BEGIN MAY 1ST AND THE DEADLINE IS JUNE 14TH.

Participants space will be filled on a first-come, first-served basis.

REGISTRATION PROCEDURE

All registration will be only at the town website: www.townofnewhartfordny.gov and will be open May 1, 2019. All fees are notes within the program description.

You must register before attending a program. Registration is not accepted by phone or in person.

Payment/Fees are due at the time of registration through the website using credit or debit card. No registration is accepted in person. There is a nominal processing fee with all payments.

Refunds will be given if the Town of New Hartford cancels a program. NO REFUNDS will be given after the start of the program.
